

48V 200Ah Power Wall Energy Storage Lithium Battery

Buy Discount Factory 48V 200Ah Power Wall Energy Storage Lithium Battery made in China. Olaite is 48V 200Ah Power Wall Energy Storage Lithium Battery manufacturer and supplier in China.

48V 200Ah Power Wall energy storage lithium battery

Welcome to buy 48V 200Ah Power Wall energy storage lithium battery from us. Every request from customers is being replied within 24 hours.

Power Wall lithium-ion battery for energy storage is easy to install, fast to set with app, real-time monitoring, and very suitable for home use. Purchase A-grade electric core, which is not ignited, not exploded, safe and stable, and suitable for major mainstream inverters.

48V 200Ah Power Wall energy storage lithium battery Introduction

Model Number:	OPW-20048	Place of Origin:	Zhejiang, China
Brand Name:	Olaite	Battery Type:	LiFePO4
Capacity:	9.6kwh	Standard Voltage:	48V
Suggested DOD:	90%	Cycle:	6000 times
Product Size(cm):	65*48*19cm	OEM/ODM:	Acceptable

48V 200Ah Power Wall energy storage lithium battery Parameter (Specification)

Model	OPW-200AH 48V/200AH 51.2V
Capacity	9.6KWH/10.24KWH
Normal Discharge Current	50A
Max Discharge Current	100A
Voltage	37.5-54.75/40-58.4VDC
Standard Voltage	48VDC/51.2VDC

Wenzhou Olaite New Energy Co., Ltd.

Address: Yueqing Economic Development Zone, Zhejiang Province

Tel: +86-15167879755

E-mail: olaite@cnolaite.com

Max Charging Current	100A
Max Charging Voltage	54.75/58.4V
Circle Times	6000 times
Size(mm)	650*480*190mm
Weight	49KG
Humidity	20-60%
Suggested DOD Model	90%
Warranty	10 Years
Communication	CAN/RS485/WIFI/4G/B-tooth communication
BMS	Yes

48V 200Ah Power Wall energy storage lithium battery Feature

- ※ High-quality battery core has longer service life, with 6000 cycles
- ※ Easy to install and controllable at any time
- ※ Intelligent BMS battery management system
- ※ Thick shell, well protection for inside cells

48V 200Ah Power Wall energy storage lithium battery Applications

- ※ Energy storage system, control system, alarm system, power system, database
- ※ Emergency lighting system, standby power supply, UPS
- ※ Telecommunication equipment, communication equipment, fire protection system, security system, power station

48V 200Ah Power Wall energy storage lithium battery Details

As a professional Power Wall energy storage lithium battery manufacturer, you can rest assured to buy Power Wall energy storage lithium battery from our factory and we will offer you the best after-sale service and timely delivery.

Power Wall energy storage lithium battery use long-life and environment-friendly lithium iron phosphate batteries, and are equipped with high-performance BMS to effectively manage the cells. Compared with traditional batteries, they have more extensive performance and application advantages. Use A+grade core, precision assembly, support customized BMS protection plate, use precision iron shell, and ensure the core capacity.

Olaite New Energy Co., Ltd is Power Wall lithium-ion battery manufacturers and suppliers in China who can wholesale Power Wall lithium-ion battery. We can provide professional service and better price for you. If you interested in Power Wall lithium-ion battery products, please contact with us. We follow the quality of rest assured that the price of conscience, dedicated service.

Honest marketing

- 1. we are manufacturer with production experience for more than 10 years
- 2. We own ISO, CE, ROHS, FCC, ETL, PSE certificates
- 3. We accept OEM and ODM
- 4. Our salesman is with rich experience in foreign trade and efficient work efficiency
- 5. High-quality after-sales service to solve all your doubts

FAQ

Q: Are you a directly factory or trading company?

A: We are inverter manufacturer.

Wenzhou Olaite New Energy Co., Ltd.

Address: Yueqing Economic Development Zone, Zhejiang Province

Tel: +86-15167879755

E-mail: olaite@cnolaite.com

Q: How does your factory do regarding quality control?

A: Quality is the priority. We always attach great importance to quality controlling from the start to the end. All our products have gained CE, FCC, ROHS certification.

Q:What can you do?

- A:1.All of our products have proceeded aging test before shipment and we guarantee safety while using our products.
2. OEM/ODM orders are warmly welcomed!

Q:Warranty and return:

- A:1. Products have been tested by 48hours continuous load aging before ship out.wanrranty is 2 years
2. We own the best after-sale service team, if any problem happens, our team will do our best to solve it for you.

Q:Is sample available and free?

A:Sample is available, but the sample cost should be pay by you. The cost of sample will be refund after further order.

Q:Do you accept customized order?

A:Yes, we do.

Q:What's the delivery time?

A:It usually takes 7-20 days after confirming payment, but specific time should be based on the order quantity.
